

*2019 Roxborough Community  
Live & Silent Auction  
Proceeds benefit the Roxborough PTIC*

Dear Roxborough Community Supporter,

The Roxborough PTIC (Parent Teacher Involvement Committee) will host its 13th annual silent/live auction on Friday, April 26, 2019. Thanks to the support of our community, people like you, and businesses like yours, this event has raised up to \$40,000.

The PTIC is Roxborough Elementary's version of PTO (Parent Teacher Organization). We pride ourselves on creating unique and lasting school and community memories for the children and also on raising substantial funds year after year to prevent the cuts to teachers, programs, classes, supplies, and equipment that we hear about occurring at other schools.

Our goal as an organization is to raise \$125,000 each academic year. Around \$40,000 of this comes from the auction. By making a donation or sponsoring the auction, your business will help fund curriculum, teacher training, staff grants, supplies, and teacher assistant positions. The funds allow our school to keep Spanish and Engineering classes and to have invaluable learning tools like Smart Boards, Chromebooks, and an outdoor classroom.

We are requesting any item, experience, service, and/ or lodging package be donated so we may auction it off. We are also looking for company or individual sponsors. To recognize your support, your company or individual information will be distributed to more than 150 attendees in our Auction Catalog and to the entire school community of over 900 students and their families. Donations used in the Live Auction and larger sponsorship contributions will also be recognized via a Power Point Presentation during the live auction.

PTIC is a not-for profit, 501c3 organization (#84-1165175), and run 100% by volunteers. Thank you for your support.

Please return your completed sponsorship form and check to us by email or by mail at:
