

What Happens the 1st Month of Kindergarten

Tea with Teacher (called Open House for all other grades at different times)

This is intended to be an opportunity for parents with their kids to get to know their teacher over "tea" (a juice box and cookies). The Kindies will be doing some activities with their teacher and parents will put names on supplies and organize them.

This is held on August 11th and, August 12th of 2014.

First Day of School

The first day of school is August 13th, for 2014.

Be sure to have read the Parent Student Handbook online for school procedures, including the parking lot and drop off directions. The link to the Parent Student Handbook is located on our Roxborough School website on the right side at the bottom of the page.

Kindergartners will meet their teachers and line up at the front of the building, all teachers will be holding a sign with their name. Please feel free to ask any staff members for help or directions.

Back To School Night (BTSN)

Back to School Night is August 20th for Primary school students. Parents, please come without children.

Parents will come and learn about our great curriculum, have the opportunity to tour the inside of the school, see the classrooms, understand the Kindie room procedures, and meet our wonderful teachers! Also presented is our amazing parent involvement committee - PTIC that you could join to become a bigger part of our school!

Your PTIC Grade Level Parent Partner (GPP) will gather emails to keep all parents informed about happenings in that grade level.

Data Gathering Conferences

Data Gathering Conferences are held August 26th and 27th. In August, look for a parent communication.

This is a 30 minute meeting with the student only. Parents will go to the technology lab to register for Parent Portal, pay fees etc. No school these days!!

Data Gathering is intended to discover and plan for each child's academic abilities and challenges based on research based testing.

PTIC will be selling logo gear at this time!
