

# Parents-To-Inspire-Children (and Community)

## Our kids need you!

It is a proven fact that being involved in a child's education creates a more successful student. PTIC is an excellent way to get to know the Roxborough Primary & Intermediate staff and to receive inside knowledge about your child's education.

Something you may not know. . .

Funds raised by PTIC help Roxborough Primary & Intermediate keep specials teachers, provides classroom tools to aid in learning, connects the school to the community and creates lifelong memories for our kids.

PTIC is the 2015 National Parent Group of the Year!!
