

Roxborough PTIC is a chapter of The Foundation For Douglas County Schools

## Roxborough PTIC Executive Board Members

**President  
Katy Gamble**

I have lived in Roxborough for five years with my hubby, Greg, and my 6th grader, Cooper. I work full-time as a User Experience Designer. I have been in PTIC for 5 years. I served as Tech Secretary for two years and VP last year. I am looking forward to making an AMAZING school year for your kiddos and our school as President this year. The reason I volunteer my time with PTIC is because I enjoy having an active role in our small community and adore the school my kiddo goes to. The best way to bring on change or know what is going on in the school and community is to become part of it! I look forward to meeting you all. Feel free to tap my shoulder anytime you see me...most likely in my sweats at Safeway. Ha!

**Co-Vice President  
Hannah Gray**

Hi! My name is Hannah Gray. My twins attend RXP and my youngest attends Roxborough preschool. My husband and I have lived in Roxborough for nine years. My family lovingly refers to Roxborough as "our little corner of the world." I teach at Arapahoe Community College part-time and spend the rest of my time volunteering at RXI, RXP, our church and trying to remember to get the wet clothes in the dryer. I joined the PTIC as a way to give back to the school that gives so much to my children. I was overjoyed to find a selfless group of moms, dads, family members, educators and community members working together to provide Roxborough with an excellent school and engaged community. I'm excited to serve the PTIC, school and community in this new role and look forward to another fun and educational school year!

**Co-Vice President  
Joanna Waldenmyer**

I have lived in Roxborough for 15 years with my husband Josh and we have two boys who are 8 and 4. I work part time as a commercial landscape architect. In my free time, I garden, purchase outdoor plants I don't have room for, work on keeping my dance skills hip, practice yoga and play volleyball. This will be my third year on the PTIC. The last two years I worked on the Trunk or Treat, Holiday Festival and Space Day committees. PTIC has been a great way to meet new friends and give back to our wonderful schools. Many elementary schools don't get the opportunity to experience some of the events that we put on, and it's so exciting to help give these opportunities to our kids. I am very excited for the upcoming school year and getting to know all of you. Please feel free to reach out, I am always happy to help!

## **Roxborough PTIC Executive Board Members**

**Treasurer  
Michelle Major**

I have lived in Roxborough for ten years with my husband and three kids. We enjoy spending time in the canyon and nearby state parks. I taught high school math for a few years and then decided to stay home with my kids. I love working with numbers and may have a tendency to create a spreadsheet to sort, review or analyze data. I love to invest my time to bring positive change. Last year our family raised a puppy for Guide Dogs for the Blind. This year I am looking forward to serving as the treasurer and helping with the numbers. I look forward to a fantastic year of memories and fundraising to support our schools. Proud to be PTIC!

**Secretary  
Jennifer Crane**

Hi, my name is Jennifer Crane and I am the PTIC Secretary. I am mom to two boys who are 7 and 4. I have lived in Roxborough for 4 years. I love creating things and taking my boys on adventures. I have chosen to be part of the PTIC to meet new people, be part of a community of wonderful parents, help create fun activities for our little ones and give back to the school that is teaching my children. I look forward to a great year with you all!
